OSAP Child Care Bursary Receipt

Instructions

At least two receipts are required for the OSAP Child Care Bursary. The **first** receipt(s) must be for the actual child care costs the student has incurred for the first four weeks of his or her study period. This receipt(s) must accompany the OSAP Child Care Bursary Application Form in order for the student to be considered for a bursary.

The **second** receipt(s) must be for the actual child care costs incurred during the remaining weeks of the student's study period. The deadline date to submit the second receipt(s) is no later than 45 days after the student's last day of classes. This receipt(s) must be submitted to the financial aid office at the student's school. If the student attended a private postsecondary school or a school outside Ontario, the receipt(s) must be submitted to the Ministry of Training, Colleges and Universities at the above address.

If more than one person provides child care, each child care provider must fill out a separate receipt. Only this standard OSAP Child Care Bursary Receipt will be accepted. Incomplete receipts will not be accepted. You may use a photocopy of this form.
