

Applicant's Name: _____

Student Number:

Discipline Code: _____ Panel Number: _____

An anomaly is defined as a three point difference in the rating of an applicant between two panel members.

- Applicant is:
- Successful
 - On the Reversion List
 - Unsuccessful

	INITIAL RATINGS	RATING AFTER CONFERENCE CALL
Panel Chair	<input type="text"/>	<input type="text"/>
Panel Member	<input type="text"/>	<input type="text"/>
Panel Member	<input type="text"/>	<input type="text"/>

- After the conference call, was the anomaly resolved? Yes
- No

If there is an unresolved anomaly, it is up to the Panel Chair's discretion to investigate and resolve the anomaly. The decision of the Panel Chair is final.
