Purpose of this form

This form is used to collect information about your disability, including documentation from your health care provider (physician or other regulated health care professional). This information is used to verify your status as a person with a disability for Ontario Student Assistance Program (OSAP) and Ontario Learn and Stay Grant purposes.

- Get additional disability-related funding or the rules for getting OSAP and the Ontario Learn and Stay Grant may be adjusted (such as allowing a reduced course load).
- Qualify for funding through the Ontario Bursary for Students with Disabilities (BSWD) and/or
 the Canada Student Grant for Services and Equipment Students with Disabilities (CSG-DSE).
 These two programs help eligible students in full-time or part-time studies with the costs of eligible
 disability-related educational services and equipment, such as note-takers, tutors, or assistive
 technology. You must submit a BSWD/CSG-DSE application to be considered. The application is
 available on the OSAP website (ontario.ca/osap). Students in micro-credential studies and students
 who are receiving only the Ontario Learn and Stay Grant are not eligible for BSWD or CSG-DSE.

To be completed by the student's health care provider (physician or other regulated health care professional).

The information provided on this form is used to determine your patient's status as a person with a disability and their eligibility for disability-related funding and/or supports under the Ontario Student Assistance Program (OSAP) and the Ontario Learn and Stay Grant. If more space is required, provide additional details on your official letterhead and attach it to this document.

Complete Section B: Parts 1-6. If any questions or fields are left blank, your patient will not be considered to have a permanent disability or a persistent or prolonged disability for OSAP or Ontario Learn and Stay Grant purposes. Return the completed form and any attachments to your patient.
