# OSAP Disability Verification Form

Students Attending Ontario Public Postsecondary Institutions

### Purpose of this form

This form is used to collect information about your disability, including documentation from your health care provider (physician or other regulated health care professional). This information is used to verify your status as a person with a disability for Ontario Student Assistance Program (OSAP) purposes.

If verified, you may:

- Get additional disability-related funding or the rules for getting OSAP may be adjusted (such as allowing a reduced course load).
- Qualify for funding through the Ontario Bursary for Students with Disabilities (BSWD) and/or
  the Canada Student Grant for Services and Equipment for Students with Permanent Disabilities
  (CSG-PDSE). These two programs help eligible students in full-time or part-time studies with the
  costs of their disability-related educational services and equipment, such as note-takers, tutors,
  or assistive technology. You must submit a BSWD/CSG-PDSE application to be considered.
  The application is available on the OSAP website (ontario.ca/osap). Students in micro-credential
  studies are not eligible for the BSWD and/or CSG-PDSE.
